

Invitation – half marathon 20 kilometres of Brussels – 26 May 2024

The Belgian Customs and Excise Administration is a member of ECSA since its foundation. By facilitating the organisation and by promoting sports activities at an international level this association aims to improve collaboration and cultural understanding between the personnel of the European Customs administrations. It is in this framework that I invite your administration to take part in the international running event “20 kilometres of Brussels”. Three civil servants (2 competitors and 1 official) of each ECSA member state are invited to this competition that will take place the 26th of May 2024. The members of the delegations are expected to arrive on Saturday 25th of May and to leave on Monday 27th of May. Except the travel expenses, which will be on the account of the foreign delegations, the total cost to each participant (runner or official) will be € 96 (per night), based on two people sharing a Twin room in the hotel for two nights. I would be grateful if I could welcome a team representing your country. The registrations can be made through the help of the attached registration form that has to be signed up before 8 March 2024. A copy of this letter has been sent to your ECSA representative of your administration.
