(1) Opening Remarks

The President opened the meeting by thanking Finland and more particularly its Director-General Tapani Erling for hosting the meeting. He then welcomed the delegates to the meeting, particularly Marit Solvik and Bjorn Granli from Norway.

(2) Approval of the Agenda

The meeting approved the agenda.

(3) Minutes of Previous Meeting(s)

Annual General Meeting 2010

The minutes of the meeting 01st October 2010 were agreed as a true and fair record.

Executive Committee Meeting January 2011

The minutes of this meeting were noted. The President noted the participation of some EC members in the Brussels 20K and invited, on behalf of Belgian colleagues, all representatives to participate in the 2012 Brussels 20K as part of an ECSA team.

Executive Committee Meeting June 2011

The minutes of this meeting were noted.

(4) Matters Arising

Action Point 09/11: The Secretary emphasized the importance of being able to demonstrate the value of ECSA to DGs, a view echoed by the President. A brief discussion ensued about the Association's profile in Member States, the President noting that his DG had told him that the Association was well known amongst DGs. It was agreed that representatives should send to the President and Vice-President copies of any articles that mentioned ECSA.

Action Point 14/11: The meeting noted that Latvia had last paid a subscription in 2008. The President informed the meeting that he had raised the subject of the overdue subscriptions with the Latvian participant at the Nijmegen Marches and she had said she would see what she could do about it.

Action Point 29/11: The President commented briefly on the possibility of addressing a DGs meeting. Karl Wappel suggested writing to all DGs thanking them for their support and enclosing a small gift; the meeting concurred.

Action Point 01/12: TdG to write to all Directors-General to thank them for their support for ECSA and enclosing a small gift marking the Association's 20th anniversary.

(5) Treasurer's Report & Annual Accounts 2011

The Treasurer issued copies of his report, which showed income and expenditure. He commented briefly on various items. €12,685.83 is in the bank. Sven Mandel-Hansen updated the meeting on the audit. He stated that the minutes of the May 2011 EC meeting did not include a positive decision to buy the pennants that had later been purchased and he also enquired why the Dutch quote had not been taken up when it had been cheaper than the UK quote. The President said that the EC would bear the first point in mind for the future. As for the comparative costs, the Dutch quote had not included the fringing that had been eventually included. A brief discussion on ways of minimising costs in future took place. Frank Agius reminded the meeting that it had been agreed at the 2010 AGM that the accounts should make reference to the authority given for expenditure to take place. Arising from the discussion, the meeting considered whether the amount of expenditure that could be authorised by the EC alone should be limited but decided not to adopt any such limit.

The President distributed pennants to each country present.

The meeting agreed the annual accounts.

The Treasurer emphasised the importance of paying subscriptions by bank transfer wherever possible and when forwarding invoices for payment to include the appropriate IBAN number and SWIFT/BIC code.

The Treasurer noted that his term of office would end at the AGM in 2012 and pointed out the importance of putting hand-over procedures in place.

(6) Applications for membership

The President reported that he had received an enquiry from somebody in Bosnia-Herzegovina Customs but had received no further response after replying.

The meeting voted unanimously to admit Norway as a member of the Association.

(7) Website

The Vice-President updated the meeting on the current position with the website, thanking countries that had updated their information. He asked for ideas concerning the website to be sent to him and for those countries that had not sent information or a photograph of their delegate to do so as soon as possible.

A discussion about various aspects of the website took place. The importance of regularly updating it was agreed, as was a clear note on the site of when it had last been updated. Andreas Krueckeberg suggested a strap-line at the bottom of the home page and possibly some background music. Rita de Wolf suggested a calendar of events with links to further details of each event, so that information on events need not be accessed only via the hosting Member State's homepage. It was also suggested that the flags on the website could be their normal (to scale) size rather than all square, that the date of the most recent change to the website be prominently shown. Eamon Bugeja from Malta suggested that a hyper link should be introduced to the website which would lead to the ECSA Facebook home page so that every one could click on it and be diverted to Facebook to see pictures of activities and other comments. The Vice-President said that he would look into all these ideas.

(8) Reports from Member States

Austria

A hard copy of the Austrian annual report was distributed to all those present. Karl Wappel said that he would like to find out more about how each Member State organised ECSA activities, especially the nomination of participants, in its own country. He also reported that the forthcoming sniffer dog competition had attracted entries from 21 countries and that it was hoped that Russia would also attend. Some of the 21 countries were not ECSA Member States. The President said that any ramifications from this would have to be addressed on a case-by-case basis, as had been the case with the Table Tennis tournament this year.

Turkey

Ozay Kutlu commented briefly on his written report and said that Turkey would like to host an event; he mentioned hiking, volleyball and football as possibilities.

Denmark

Sven Mandel-Hansen mentioned Danish participation in the Brussels 20K.

Belgium

Rita de Wolf advised that the 2012 20K would be on 27th May.

Czech Republic

Jan Hlinka reported that the Czech running event would be on 07th September to 09th September.

United Kingdom

Andrea Scott-Lewis noted feedback from UK participants in the skiing that one of the events had been cancelled at short notice this year due to a lack of competitors; this could call future participation into question. It was noted that the Dutch had not attended this year but should do so next year and that more Swedes should also be there. The President said that he would contact Marco Paladino to discuss the issue.

Action Point 02/12: TdG to contact MP to discuss participation levels at the skiing and difficulties caused by any late cancellation of parts of the programme.

Hungary

Barnabas Sik updated the meeting about the merger of the Customs and Tax administrations on 01st January 2011 and on various sporting activities.

Malta

Frank Agius mentioned participation in running events in Belgium and the Czech Republic and two friendly football matches against Italy. Eamon Bugeja gave a short presentation on the forthcoming ECSA football tournament in Malta, which will be on 25th and 26th April 2012. The invitations will be issued in the next two or three weeks. Eamon noted that after meeting a Finnish competitor at the 2010 football tournament he was now working with him on a project to harmonise safety procedures for dealing with containers that had been fumigated. The meeting agreed that this was a good example of contacts made through ECSA benefitting Member State administrations. Palle Lundborg reminded the meeting that countries not able to put a full team into the football

tournament should contact the organisers and the President to see if they could form composite teams with other countries in the same position.

France

The meeting was updated on French activities past and future.

Luxembourg

Daniel Koener referred to his written report and forthcoming participation in events.

Germany

Andreas Krueckeberg referred to his written report and advised that there were 13 ECSCA participants in the upcoming Cologne running event. He also noted the EC meeting taking place in Cologne on 20th January 2012.

Norway

Marit Solvik and Bjorn Granli gave the meeting information on Customs sports activities in their country. The Customs Sports Club is separate from the administration. A football tournament involving between **150 and 300** Customs officers is the flagship event.

Finland

Lasse Lehtokangas said that Finland would send a men's and a women's team to the football tournament in Malta.

No reports were received from Cyprus, Italy, Latvia, Lithuania, Ireland and TAXUD.

(9) Calendar for 2012 and 2013

Various events and meetings were agreed for 2012. See Annex 3 for details.

It was noted that Slovakia was not organising the marathon in 2011 and had therefore expected to do so in 2012. It was agreed that Slovakia would organise the 2012 marathon and Hungary would then organise the 2013 marathon.

Andreas Krueckeberg said that if the German running event was a success in 2011, they would wish to organise it on a regular basis. It was agreed to review

the position after the event. It was also agreed that Andreas and Jacky Golanski would liaise in order to avoid their events clashing.

The President advised that Lithuania had agreed to organise the shooting in 2012 and had asked for this to have ECSA status. Richard Dowling gave details of the 2012 golf tournament in the United Kingdom.

Frank Agius stated that Malta would like to organise a snooker or pool event in November 2012. He was asked to write out to Member States to gauge interest. Ozay Kutlu said that he would do the same concerning a possible hiking event in Turkey in December. Andrea Scott-Lewis said that she and Barnabas Sik hoped to organise a basketball event in Hungary in November.

Various events and meetings were agreed for 2013. See Annex 4 for details. There was a discussion about maximising the accessibility of Association events for disabled competitors. It was agreed that the EC would discuss a policy statement on the issue at its next meeting and that countries hosting events next year would see if they could include disabled participants, especially in athletics events.

(10) Elections

Lasse Lehtokangas was unanimously re-elected as Vice-President of the Association. Anetta Janda was co-opted onto the EC for a further year.

(11) 20th anniversary

Various ideas for marking the Association's 20th anniversary in 2012 were discussed. The following action plan was agreed:

- Production and distribution of T shirts mentioning the anniversary;
- All events in 2012 to make reference to the anniversary in publicity and elsewhere;
- One or perhaps two events (perhaps football and sniffer dogs) to be designated as flagship events for the purpose of marking the anniversary;
- A special variant of the Association's logo to be used for 2012 only;
- A DVD and presentation to be produced.

Karl Wappel said that he could offer the services of some of his media team in Austria, to help with the designing of an anniversary logo and a DVD and presentation.

The meeting agreed that around 1,000 to 1,100 T shirts costing a maximum of €6,000 and of sufficient quality to be worn regularly could be ordered at the discretion of the EC.

Karl Wappel suggested a cap on expenditure for the anniversary. The President said that a budget would be prepared and then Member States updated.

It was agreed that Andrea Scott-Lewis would be the contact point for all information concerning 20th anniversary activities.

(12) Working with the European Commission

The President issued delegates with a copy of the letter of 29th August 2011 that he had sent to the Director-General of Education and Culture. He said that no reply had yet been received.

(13) Any Other Business

Barnabas Sik suggested taking some ECSA gifts when attending the DGs meeting.

In closing proceedings, the President reiterated his thanks to Lasse Lehtokangas and Finnish Customs for their excellent organisation of the AGM.

Date and Venue of Next Meeting

The 2012 Annual General Meeting will be hosted by Luxembourg on Friday 28th September 2012 in Luxembourg city.

There being no further business, the meeting closed at 17:23 hours.
